

# HAVE YOU SEEN THIS PLANT?

## **SPIKED RAMPION (*PHYTEUMA SPICATUM*) IS ONE OF THE RAREST PLANTS IN THE UK.**

But it is thriving in some parts of East Sussex.  
And there may be plants we don't know about!

If you think you may have seen a plant, please  
send a photo and location (preferably a grid  
reference) to [pennygreen@sussexwt.org.uk](mailto:pennygreen@sussexwt.org.uk)

or call 01273 49521
